

You have scheduled your transition meeting.....NOW WHAT?

1

Attend the meeting.

Individuals who may be present at the meeting are: DCIU Service Coordinator, Supervisor of Special Education, Elementary Principal, Elementary School Psychologist, and Special Education Department Chair.

Sign the Intent to Register Form. This will allow the DCIU to release your child's educational records to the Wallingford-Swarthmore School District.

**Please note that due to the number of meetings that need to be held, we must limit the transition meetings to 30 minutes. You will have an opportunity during this meeting to share information about your child's strengths and needs.*

2

You, the parent, need to register with the District.

You may complete the registration packet online by going to WSSD.org > choosing the Departments drop-down > select Registration and Educational Data or contact the registration line at 610-892-3470 ext. 1506 to schedule an appointment.

3

Members of the WSSD team will review your child's information. Please forward any outside reports that you feel may be relevant. The team may also schedule an observation of your child in their current educational setting. If more information is needed, an evaluation may be requested. The scope of the evaluation will vary, depending on the professional judgment of the team. This may range from a review of records by a school psychologist to a comprehensive psycho-educational evaluation.

4

By April 15th the district will issue a letter indicating one of the three:

- No additional information is needed. The district will be accepting the current IEP.
- No additional information is needed. The district will revise the current IEP.
- Additional information is needed. The district will issue a Permission to Re-Evaluate.

The psychologist assigned to oversee your child's evaluation will contact you.

Please contact Jean Solecki, Supervisor of Special Education, with any questions.
