

# Elementary Learning Support

## Overview of Program Components

# **Elementary Learning Support Program**

## **Supports for Academics**

Students have access to a full continuum of services through a flexible scheduling process. Based on the needs of the students as identified by the IEP team, students have opportunities to participate in the following types of classes:

- General education classes with appropriate accommodations and special education teacher consultation
- General education classes with in-class support from either a teacher or paraprofessional
- General education co-taught math class
- Special education classes

The range of support available includes Itinerant (receiving special education services for less than 20% of the school day), Supplemental (receiving special education services for more than 20% but less than 80% of the school day), and Full-time (receiving special education Services for more than 80% of the school day).

## **Learning Support Classes**

Learning Support classes are offered daily and include the following key components:

### **Direct Support for Academics**

- Direct instruction in core areas as identified in the IEP  
Reading, Writing, Math
- Development of strategies for success
- Assistance with assignments
- Extra time for tests/quizzes

### **Organizational Support**

- Time management
- Materials Management
- Assignment Management
